

## THE INGREDIENTS TO SUCCESS

**Here are some definitions of success:**

Being offered the job you always wanted.

You feel it when someone you love tells you that he/she loves you too.

It is the pleasant and powerful feeling of achievement.

You experience it when you win or earn a large sum of money.

When you fix a broken instrument with your own hands.

A promotion at work.

Shedding a few surplus pounds.

Seeing your business prosper.

Becoming famous.

The favourable outcome of an action.

Mastering a skill.

Finally, achieving what you have set out to do.

Receiving good results at school.

Passing your driving test.

---

“Success” means different things to different people. In one short paragraph write about what it means to you?

---

I want to be a success in these roles (check which are most important to you):

Student

Family member

Spouse

Parent

Friend

Athlete

Worker

Citizen

Volunteer

Human Being

---

I think people are successful when:

---

---

---

The person I think is most successful is \_\_\_\_\_ because:

---

---

---

I'd know I was really a success when I:

---

---

---

My biggest success so far has been:

---

---

---
